The Greater London Bus Map

This map is based on a style similar to that used by London Transport during the late 1970s. It is ***not*** an official publication of London Buses, but their assistance and co-operation is gratefully acknowledged. Timetables issued by County Councils and many bus operators have also been helpful in compiling this information. While every endeavour has been taken to ensure accuracy, any comments would be welcome. Please write to:

List of Routes

Services operated under contract to London Buses are listed in black and shown as red roads on the maps. Services operated with a London Local Service Agreement, are listed in green below and shown as green roads. Bus Passes and Travelcards are generally accepted on these services within Greater London. Please telephone 020 7222 1234 for full details.

Other services shown on the maps are not listed as they do not generally accept London passes. Sections of routes running during the summer only are shown in red. For clarity, Night Buses are not shown within the part of the West End shaded blue on the central map. Routes that provide a 24 hour service in conjunction with night routes are marked '24 hour service'. Other night routes are listed at the end. Operator names are shown in italics after the listings.
